Belief in the Threeness & confession of the Oneness of the Creator of Creation...” (from St Patrick's *Breastplate*). This is how St. Patrick praised the Holy Trinity. Legend tells how he borrowed the humble shamrock to illustrate the mystery of God to the Irish people, witnessing to the Gospel in a land where he had spent six years of his youth as a slave, tending sheep for an Irish chieftain. Patrick's deep trust in God carried him through his hardships and strengthened him to answer the call of the Irish later in His life and return to Ireland to teach & preach the Gospel in a spirit of compassion, mercy and mission, leading him to pioneer the setting up of the Monastic Church structure in Ireland.

**I arise today through the strength of heaven...Christ with me,
Christ before me,
Christ behind me,
Christ in me,
Christ beneath me,
Christ above me,
Christ in every eye that sees me,
Christ in every ear that hears me.” (St Patrick's Breastplate)**
Happy St. Patrick's Day!
